012 hand margins. Use 10 point type, with a vertical spacing of 11 points. The word

018 **1 SUBMISSION OF PAPERS TO LMRL 2025**
019

020 LMRL requires electronic submissions, processed by <https://openreview.net/>. See
021 LMRL’s website for more instructions.
022

023 If your paper is ultimately accepted, the statement `\lmrlfinalcopy` should be inserted to adjust
024 the format to the camera ready requirements.

025 The format for the submissions is a variant of the ICLR format. Please read carefully the instructions
026 below, and follow them faithfully.
027

028 **1.1 STYLE**
029

030 Papers to be submitted to LMRL 2025 must be prepared according to the instructions presented
031 here. Papers are limited to 4-8 pages for the Full Paper Track or 1-2 pages for the Tiny Paper Track
032 (excluding references).
033

034 Authors are required to use the LMRL \LaTeX style files obtainable at the LMRL website. Please
035 make sure you use the current files and not previous versions. Tweaking the style files to fit in more
036 text may be grounds for rejection.
037

038 **1.2 RETRIEVAL OF STYLE FILES**
039

040 The style files for LMRL and other conference information are available online at:

041 <http://www.lmrl.org/>
042
043

044 The file `lmrl2025_workshop.pdf` contains these instructions and illustrates the various for-
045 matted requirements your LMRL paper must satisfy. Submissions must be made using \LaTeX and
046 the style files `lmrl2025_workshop.sty` and `iclr2025_conference.bst` (to be used
047 with \LaTeX 2e). The file `lmrl2025_workshop.tex` may be used as a “shell” for writing your
048 paper. All you have to do is replace the author, title, abstract, meaningfulness statement, and text of
049 the paper with your own.
050

051 **MEANINGFULNESS STATEMENT**
052

053 Explain what you consider a “meaningful representation of life” and how your work contributes to
this direction. This section does not count towards the page limit.

Use unnumbered third level headings for the acknowledgments. All acknowledgments, including those to funding agencies, go at the end of the paper. Do not include acknowledgments in the anonymous submission.

A APPENDIX

You may include other additional sections here.
